In re Application of :
Eduardo-Alexander VAN DEN BERG :
Application No. 10/541,077 : **DECISION ON PETITION**
Filed: June 29, 2005 :
Attorney Docket No. 72998-013000/US :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed November 06, 2007, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely reply within the meaning of 37 CFR 1.113 to the final Office action, mailed April 10, 2007, which set a shortened statutory period for reply of three (3) months. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2)), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). Since the amendment submitted does not *prima facie* place the application in condition for allowance, the reply required must be a Notice of Appeal (and appeal fee), RCE, or the filing of a continuing application under 37 CFR 1.53(b). A three (3) month extension of time pursuant to the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the date of abandonment of this application is October 11, 2007.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$810.00, and the submission required by 37 CFR 1.114; (2) the petition fee of \$1,540.00; and (3) a proper statement of unintentional delay. Accordingly, the reply to the final Office Action of April 10, 2007 is accepted as having been unintentionally delayed.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Telephone inquiries concerning this decision should be directed to the undersigned at (571)-272-4231.

This application is being referred to Technology Center AU 3651 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the amendment submitted in accordance with 37 CFR 1.114.

A handwritten signature in black ink, appearing to read "Michelle R. Eason". The signature is fluid and cursive, with the first name "Michelle" being the most prominent part.
